

Category C Licensees are collegiate supply chain only companies with total annual revenues between \$2.5 million and \$50 million, or those with revenues higher than \$50 million that do not otherwise qualify for Category B. Licensees at this level fulfill all participation requirements, including e-learning coursework and an annual self-assessment.

Please contact [services@fairlabor.org](mailto:services@fairlabor.org) with any inquiries.

To review the specific program requirements for each category please visit:
