## Panelist Bios

**Zümrüt Aydın**

**Alpay Celikel**

**Salih Gökçe Görgeç** has been working as a Governance and Compliance Specialist and Occupational Health and Safety Officer in the Refugee Program of the International Labor Organization (ILO) Türkiye office for 2 years. He also worked as a Social Security Specialist at the Social Security Institution of the Republic of Turkey for 10 years. He has been working on internationally funded projects for many years in the field of Social Policies, Gender Equality, Refugee Labor Rights, and Social Security.

**Mustafa Ozal Percin** has been working as International Secretary, Advisor of the President at TEKSIF Union since 2012. He is also the founder of Atak Plus Labor Consulting Corp and co-founder of AAC Mediation Center.

**Jale Tunçel** was born in Bursa in 1969. She graduated from Istanbul Technical University (ITU), Machinery Faculty, Textile Engineering Department and also has an MBA degree. She is currently the Vice-Chair of Istanbul Apparel Exporters Association and an Executive Board member in Şahinler Holding.

**Enes Ün** has been working in the field of social and environmental compliance in the apparel supply chains since 2003 and is leading the adidas SEA EMEA team since 2006. He started as a field auditor to monitor and mitigate/remedy non-compliances in textile factories in EMEA. Using his experience as a teacher in his former job, he focused more on capacity building and sustainability through establishing effective delivery and implementation of management systems in supply chains. Having a solution-oriented mindset, he looked beyond the existing methodologies and always supported the idea of empowering workers for a better workplace and collaborating with stakeholders for sustainable solutions for merging issues. One of the outcomes of this approach was the engagements and collaborations with various stakeholders in EMEA to support the fair employment and social integration of Syrian Refugees in Türkiye.
